You're 18...Now what?

- Where will you work?
- Where will you go to school?
- Where will you live?
- What happens when you hit road bumps in life?

Future Fest West will help you find the answers to these questions and more with our interactive resource fair!

The event will also include a youth panel discussing their experience aging out of the foster care system.

2 Hours Foster Parent training credits available

**Keynote Speaker: Words Taylor**  
Words is a spoken word poet born and raised in Chicago, IL. His love for poetry came out of need for an outlet to release anger and hurt from some childhood experiences. He has always admired the power of voice and how it can be used as a weapon of hope in our lives. He has now made it his personal mission to equip every young person and adult with this weapon.
